

Trimline 70 sl

Marque: Trimline

Prix
conseillé: €
2.874,00

DESCRIPTION

With an innovative, versatile design the compact Trimline 70 Slim Line is easy to install and simple to service. The Trimline 70 SL can be wall mounted and installed directly to any internal outside facing wall. One of the biggest advantages is that there is minimal building work required and with an output of 3.8kW and an impressive efficiency rating of B, the Trimline 70 SL will fit perfectly with virtually all interiors with sleek lines for a contemporary living statement. The Trimline 70 SL utilises the same features as the other appliances within the range and is remotely operated and supplied with a battery box as powersupply.

The standard burner bed for the Trimline 70 SL is made of wooden logs, and the standard interior has a slatted design. On top of that, it comes with the Ecomax remote control and you have the options of adding Wi-Fi-control with our Trimline Fires app.
